RE:

Docket No. 2015-469

Dear Ms. Dube:

Enclosed please find check number #1983 in the amount of \$3,303.21 from Ms. Jeannette Marino payable to Mr. [redacted] that Ms. Marino forwarded to the DHHS Estate Recovery Unit. Please deposit this check into an account for the benefit of Mr. [redacted].

Mr. Lazott is currently open for long-term care services through DHHS, and therefore his resources cannot exceed \$2,500.00. The Department would consider these checks as lump-sum income, which would only count as a resource in the month after the month of receipt. Therefore, the Department will consider that Mr. [redacted] received the funds in August of 2015. To the extent that Mr. [redacted] s resources exceed \$2,500.00 with the addition of these funds, the excess must be spent down by September 31, 2015. Please remember that this money should only be used for Mr. [redacted] s needs and that he should receive fair market value for whatever items he purchases. See generally N.H. Admin R. He-W 620.01.

Please do not hesitate to contact me if you have any questions or concerns.

Very Sincerely Yours,

Molly M. Lynch, Esq.
