Re: Walter and Ann

Dear Ms. Burrage:

Our firm represents Walter and Ann . I recently met with Walter and Ann concerning their desire to have Jeannette Marino continue to serve as their financial agent. It is my understanding that my clients executed DPOAs appointing Jeannette Marino as their agent, but that your office has recently expressed concern about those DPOAs. I further understand that Walter and Ann were recently asked to appoint someone from OPG as their representative payee and that an effort is being made to have Walter and Ann execute paperwork requesting that OPG become their voluntary conservator.

Following a very lengthy conversation with Walter and Ann, I am convinced that this is contrary to Walter and Ann's intent. Walter and Ann are adamant that Jeannette Marino continue to serve as their financial agent and that Jeannette assist them with medical decisions.

New DPOAs and Health Care POAs have been executed by both Walter and Ann at my office. In addition, the couple has executed forms necessary to reinstate Jeannette Marino as their representative payee. Please make a note of this for your files. I ask that you have no further contact with either Walter or Ann and that any questions you may have concerning this lovely couple be directed to me.

Regards,

Elise H. Salek
