

1 different matter. Yeah, [REDACTED] --

2 MR. EBY: Which?

3 THE COURT: [REDACTED]. It's a guardianship and
4 a special needs trust that you've included in that
5 correspondence from Ms. Marino to Judge Kelly.

6 MR. EBY: Okay.

7 THE COURT: And it looked as though I only have some
8 of that.

9 MR. EBY: Okay.

10 THE COURT: It's kind of confusing. And you may
11 not -- if you have that letter, I can refer -- I think it's
12 referred to -- if I'm not confusing these things. Excuse me if
13 I am. But I think in Ms. Marino's letter to Judge Kelly, she
14 references this as a matter that she wanted to disclose, even
15 though she did not feel she was removed or she expresses the
16 fact that she wasn't removed, but it was an agreement.

17 MR. EBY: I don't know that I have that.

18 UNIDENTIFIED SPEAKER: Judge, I think it was listed
19 in the file, actually.

20 THE COURT: It's part of --

21 UNIDENTIFIED SPEAKER: It's our Index 11.

22 THE COURT: It follows Ms. Marino's letter to Judge
23 Kelly of October 9 and it's part of that letter from Attorney
24 Eby to me.

25 UNIDENTIFIED SPEAKER: Right. Dated January 26.

1 THE COURT: 26.

2 UNIDENTIFIED SPEAKER: It's not in the exhibits?

3 THE COURT: It's not in the exhibits, right.

4 UNIDENTIFIED SPEAKER: It's a letter you sent. I can
5 show you.

6 MR. EBY: That's the letter I sent in response to the
7 Court's request that we forward other matters that --

8 THE COURT: What was given to Judge Kelly, right.

9 MR. EBY: But with that specific letter, yes. I'm
10 recalling that. I just for some reason don't seem to have it
11 in my file. I don't know why.

12 UNIDENTIFIED SPEAKER: Here's the letter. So it's
13 dated January 27th. I can go make a copy.

14 THE COURT: And on page -- on the second page of that
15 letter --

16 MR. EBY: Oh, yes, cents.

17 THE COURT: -- from Ms. Marino to Judge Kelly.

18 UNIDENTIFIED SPEAKER: Hold on. So then we would
19 be -- I'll go make a copy. This is from Kelly to -- well, this
20 is attached to the letter.

21 MR. EBY: Right.

22 UNIDENTIFIED SPEAKER: Yeah, it's in B. So let me go
23 make a copy.

24 MR. EBY: The concern is that it appears to be
25 incomplete.
